- e) Amount of contrast can be critical*

3. Haircolor combinations

- a) Understanding color combinations*
- b) Shout, talk or whisper*
- c) What is the message you want to send with the hair*
- d) Get inspiration from nature*

Michael Page is a haircolorist's haircolorist. He conveys his information in a clear, concise manner. No one spends more time in preparing their presentation than Michael. As a Goldwell instructor, he was voted the most inspirational educator in his region. Michael knows how to convey information so it is understandable. Although his class is coined Advanced Foil Placement, he starts from the basics to show how closely related advanced is to the basics.
