

# *Energizing Summit Class Outline*

## **BEAUTIFULLY BLENDED HAIRCOLORS**

*Gerd Hoher*

**1. Knowing your haircolors:**

- a) Consider the undertones
- b) Knowing the lines and movement of the style

**2. Place the colors in a light dark pattern:**

- a) Foil or no foil
- b) Limit the colors used
- c) Simple patterns are best
- d) Visualize the final result

**3. Mix colors first:**

- a) Layout pattern(s)
- b) Prepare tools
- c) Start and finish without interruption
- d) Shampoo hair then hair in foils

*Gerd Hoher is a European trainer hairdresser who has always had a love and intrigue for haircoloring and the transformations they can produce on an individual. He served as an educational director, salon owner, and part of the Carlton chain until he formed his own new haircolor company. What a great opportunity for you to experience a new color line and learn the differences in new technologies. Gerd says, "I feel honored to be allowed the opportunity to teach at the Summit."*
