### **5. Questions and Answers.**

*The accomplishments of Peggy Schmoltdt are too numerous to mention. Instructing and advancing the careers of the youth of our industry, Peggy started the first apprenticeship program in the state of Colorado. She's totally dedicated herself to the cosmetology industry.*

*Peggy Sue Schmoltdt was appointed to the National Cosmetology Association 2003 design team where she co-created the women's section. A cosmetologist for twenty five years, many years spent specializing in haircoloring, her clear concise method of transferring her knowledge to her audience is second to none.*

*Peggy's easy going manner and pleasant presentation make it a pleasure to observe her teach.*
