- e) *Color charts, pros and cons.*

### **4. Questions and Answers.**

*Courtney von Berg is a Board Certified Haircolorist and also an Evaluator. She works in Knoxville, Tennessee for Ross the Boss, a high-end salon chain and instructs at their school, teaching haircoloring.*

*Courtney has specialized in haircolor for the past eight years, constantly refining her skills. She has been exposed to the misconceptions of undertones and the way they are taught. The haircolorist's interaction with the client is most important when discussing undertones. She uses the new ABCH haircolor Category chart as a means of communicating with clients.*
