Layla has been perfecting her craft for the last 20 years. According to Layla you can never learn enough. As soon as you start to feel confident you get that one client that makes you doubt yourself. She is an educator for Primary Syn. Her love is teaching others all of her accumulated knowledge. Her biggest joy is to view the expression of the faces 'when they get it.' From her salon in Sugarland Texas she manages a flourishing business where she gains most of her knowledge. Layla is really a special kind of educator, and you'll love her class.
