

Energizing Summit Class Outline

HANDS-ON SPEED FOILING

*McGinnis Team,
ABCH*

1. Sectioning and parting:

- a) Sectioning out working areas/work from top down.
- b) Working the flats of the head.
- c) Vertical parting vs horizontal partings.
- d) Diagonal partings work best on the curves of the head. Why?

2. Slice vs. Weave:

- a) Size of weaving.
- b) Weaving close to scalp.
- c) Small weaving creates slice.
- d) Where to weave?
- e) Chunky wide weave.

3. Application of product:

- a) Selection of brush.
- b) Consistency of product.
- c) Brushing techniques.

4. Placement of foils:

- a) Where to start and finish.
- b) Importance of placement.
- c) So it all ends up the same.

5. Hands on Session, review, take down.

Led by Julie Lazarof, this team of haircolorists has mastered foiling hair in the fastest, most efficient manner. Julie Lazarof, Kris McGinnis, Gay Thomas, Sara Carlin and Yolanda Solano will show you why folding foils is a waste of time and why you never have to fold another foil. This class is amazing.
